Health and Safety Plan

Medical:

The Camp Director or Senior Staff will hold all medication. **Children are not allowed to be in possession of any prescription or non-prescription medication.** Prescription medication, including inhalers and epi-pens, must be clearly labeled in its original container, and accompanied by a statement signed and dated by the doctor explaining exact dosage, directions, and time to be administered.

Over the counter medication may be dispensed with signed permission and dosages from the caregiver or guardian.

Camp staff will treat minor injuries with such as small cuts, bumps, and insect bites and will report injuries to caregivers at camp pick up. If the injury needs further treatment, the Camp Director will contact the caregiver, guardian, or emergency contact.

*COVID-19 Protocols:

Museum staff will closely monitor local and regional COVID trends and will seek health advice from local officials prior to the start of camp. Final assessments will be communicated to camp families within two weeks of camp date.

COVID policies are subject to change based on available information and local, state, and federal guidelines at the time of camp.

We are unable to offer refunds after June 5, 2023, as camp materials will be purchased prior to the start of camp.
